Yuki Teikei Haiku Society Meeting  
Tilden Regional Park Botanic Garden  
North Berkeley Hills  
Lawn Picnic and Ginko

(You may want to bring a blanket and/or low chair; dress appropriately, in layers)

Saturday, March 12, 2016 11:00 AM - 3:00 PM

Gather at the Visitor Center (to the left of the Main Gate, at the intersection of Wildcat Canyon and South Park Drive). Easiest parking is in the parking lot across from the Garden on Wildcat Canyon Drive, and is where the restrooms are located. For map and more information, please visit this URL site:

After the picnic, David Sherertz will lead a garden tour, then continue on your own, write, and come back to share haiku. Wear comfortable walking shoes for the garden trails. It will be a great time for flowers in the garden, as the bulb beds should have amazing displays then. One of the flowers listed to be in bloom in March is California poppy. California poppy is listed as a spring kigo in our own SF Bay Area Saijiki. We need more haiku examples for our next edition of the saijiki. Please come and be inspired.
